Quality health care for everyone.

We change lives because we care.

Everyone welcome regardless of insurance coverage!

As a non-profit FQHC we would love donations to keep Quality Health Care for Everyone. Please donate at www.GreatLakesBayHealth.org.
Our Mission

To provide excellent health care to individuals and communities, especially those who are underserved, uninsured or underinsured. The services provided are sensitive to the needs of the community, are not based on ability to pay and are offered without regard to criteria such as race, religion, national origin, sexual orientation or gender identity.

Guiding Principles

Based on our Mission Statement, GLBHC is committed to:

- Excellence
- Dedication to Employees, Family and Community
- Convenient and Comfortable Health Care Centers
- Forward-thinking Positive Attitudes
- Collaboration with Educational Institutions and Other Area Providers
- Respect for Diverse Cultures and Different Languages
- Coordinated, Comprehensive, Cost-Effective Services

Migrant Health Facility

Migrant farm workers have little, if any, access to health care or medication. Language and cultural barriers also prevent migrant farm workers from obtaining care or services. We were founded upon providing health care for farm workers, and we keep this a priority today. We have migrant sites in Manchester and Belding, plus mobile medical and dental buses that travel to other rural areas all over the Great Lakes Bay Region and beyond.

Belding

Mobile Dental (3)

A school-based dental program that travels to elementary schools and Migrant Sites, Great Lakes Bay Health Center’s oral health program utilizes our two mobile dental units and portable equipment to provide Exams, X-rays, Cleanings, Fluoride Treatments and Sealants to students at each school. PHONE: 989.921.4393

Mobile Medical

Great Lakes Bay Health Center provides mobile outreach throughout the communities. This mobile unit travels throughout the Great Lakes Bay Region and beyond, including health fairs and migrant sites. PHONE: 989.959.6400
School-Based Health Centers

- Integrated at school locations and open to students ages 10-21. This allows for consistent and convenient medical services – including everything from sports physicals and well-child visits to treatment of illness, injuries or chronic conditions to counseling and health education. This approach helps to ensure the best care possible for the students – right in their school.
- Parental consent required for all services (except Adolescent Confidential Health Services as per Michigan law).
- Students or parents may call and make appointments or stop by the health center to make an appointment. Services are open to any students in the community.

SERVICES PROVIDED: Annual/Sports Physicals, Treatment for Illness or Injuries, Health Education, Vaccines ( Shots), Behavioral Health Counseling, TB Tests, Lab Tests, Dental Bus and Medicaid Enrollment

NOTE: NO birth control pills, condoms or devices are prescribed; NO abortion services, counseling or referrals for abortion services will be provided.

Insurance assistance
If you need help applying for insurance or other assistance needs please call 989-921-5353 and a Community Health Worker is here to help.
What is a Patient-Centered Medical Home?

When we say we care for everyone – we mean it. Whether you have private insurance, Medicaid or none at all, we want to be your patient-centered medical home.

It’s about care. Quality care.

It’s not just treating an illness. It’s about keeping you healthy, developing health goals and setting up a plan to manage your care.

We call it a home because we want to be the first place you think of for your medical needs and help you every step of the way.
